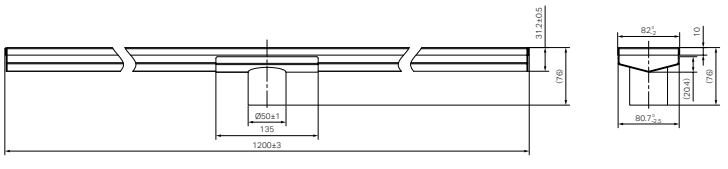
Features

- Fits 50mm puddle flange for easy integration.
- Suitable for tiles with a thickness of less than 10mm
- Durable 304 stainless steel construction ensures long-lasting performance.
- Separate waste outlet and grate design provides greater installation flexibility.
- V-channel profile enhances water flow speed and drainage efficiency.
- Available in 5 premium finishes to match various bathroom styles.
- Note: Outlet and grate are packed separately. Holesaw not included



Maintenance And Care

- Regularly check the mixer and connections for signs of wear or leaks.
- Clean the tap with mild soapy water to maintain its appearance, avoiding harsh chemicals and abrasive materials that may damage the finish.

- Dimensions are nominal measurements only.
